Expenses Policy

Kaveri Exports Private Limited. How employees claim business expenses. Owner: Finance.

1. What can be claimed

Business expenses that are necessary, reasonable and approved: local conveyance, meals while working away from the office, customer entertainment approved in advance, and travel under the Travel Policy. Meals are reimbursed up to Rs. 800 per day.

2. How to claim travel and other expenses

Step 1: open the Expenses page in the Kaveri HR portal and create a new claim, choosing the trip or cost centre. Step 2: enter each expense and attach a scanned receipt for every item above Rs. 750. Step 3: submit the claim to your reporting manager, who approves or returns it. Step 4: Finance checks the approved claim and pays it into your salary account within 10 working days.

3. Deadline

Claims must be submitted within 21 days of the expense, or of returning from the trip. Late claims need the Finance Controller's approval.

4. What is not reimbursed

Personal expenses, fines, alcohol, upgrades not approved under the Travel Policy, and any expense without a receipt where one is required.
